

**ADVERTISEMENT FOR BIDS
VILLAGE OF NEW MADISON
NEW MADISON, OHIO
WASTEWATER TREATMENT PLANT IMPROVEMENTS**

General Notice

The Village of New Madison (Owner) is requesting Bids for the construction of the following Project:

**Wastewater Treatment Plant Improvements
702722**

Bids for the construction of the Project will be received at the New Madison Village Office located at 124 S Harrison St., New Madison, OH 45346, until **Wednesday, April 12, at 9:00 am** local time. At that time the Bids received will be publicly opened and read.

The Project includes the following Work:

- Replacing the Rush Road Lift Station pumps with larger pumps, coating the existing wet-well and upstream manhole, and miscellaneous repairs to address corrosion in the control's enclosure.
- Replacing the influent fine screen and replacing grit tank baffles at the Headworks structure. Coating the existing channels, installing windows, replacing the overhead coiling door, installing a radiant heater and associated propane tank, and installing new fan and louver in existing building that houses the screen.
- Recoating steel components on the oxidation ditches/internal clarifiers as noted on project drawings. Replacing steel supports for the rotor covers and replacing the rotor motors, drives, and bearings in the oxidation ditches, and replacing the clarifier drives and surface scum scrapers in the clarifiers.
- Replacing the UV disinfection system.
- Replacing the WAS/scum lift station pumps in kind.
- Building two additional aerated sludge storage tanks to ensure that 30 days of retention are provided and replacing the three sludge storage/post aeration blowers with larger units.
- Building three additional sludge drying beds and extending the dried sludge storage area, with concrete pad. Installing new polymer mixing unit and polymer mixing vault with manifold associated with sludge drying.
- Replacing the plant drain lift station pumps in kind.
- Upgrading the site's electrical system as required to install the new equipment and installing a new telemetry system to replace the existing dialer.
- The work also includes yard piping, process piping, demolition, excavation, dewatering, regrading, crushed stone access area and sidewalk, landscaping, coatings, electrical, instrumentation and control, clean up, and all other appurtenances necessary to complete the work shown on the project drawings and included in the project manual.

Bids are requested for the following Contract: **New Madison Wastewater Treatment Plant Improvements/702722**

Owner anticipates that the Project's total bid price will be approximately **\$2,515,000**. The Project has an expected duration of **420** days.

Obtaining the Bidding Documents

Information and Bidding Documents for the Project can be found at the following designated website:

www.wesslerengineering.com/planroom/

Bidding Documents may be downloaded from the designated website. Prospective Bidders are urged to register with the designated website as a plan holder, even if Bidding Documents are obtained from a plan room or source other than the designated website in either electronic or paper format. The designated website will be updated periodically with addenda, lists of registered plan holders, reports, and other information relevant to submitting a Bid for the Project. All official notifications, addenda, and other Bidding Documents will be offered only through the designated website. Neither Owner nor Engineer will be responsible for Bidding Documents, including addenda, if any, obtained from sources other than the designated website.

The Issuing Office for the Bidding Documents is:

**Wessler Engineering
80 STATE ROUTE 103, SUITE C
Bluffton, OH 45817**

Prospective Bidders may examine the Bidding Documents at the Issuing Office on Monday through Wednesday between the hours of 8:00 a.m. and 4:00 p.m., and may obtain copies of the Bidding Documents from the Issuing Office as described below. Prospective Bidders may also examine the Bidding Documents at the Village of New Madison Village Office, 124 S Harrison St., New Madison, OH 45346 between the hours of 8:00 a.m. and 3:00 p.m. Partial sets of Bidding Documents will not be available from the Issuing Office. Neither Owner nor Engineer will be responsible for full or partial sets of Bidding Documents, including addenda, if any, obtained from sources other than the Issuing Office.

~~Printed copies of the Bidding Documents may be obtained from the Issuing Office by paying a deposit of \$[insert amount] for each set. Bidders who return full sets of the Bidding Documents in good condition within 10 days after receipt of Bids will receive a full refund. Non-Bidders, and Bidders who obtain more than one set of the Bidding Documents, will receive a refund of \$[insert amount; often half of the initial deposit] for documents returned in good condition within the time limit indicated above. Make deposit checks for Bidding Documents payable to [entity name].~~

Bidding Documents may be purchased from the Issuing Office during the hours indicated above. Make deposit checks for Bidding Documents payable to Wessler Engineering. Cost does not include shipping charges. Upon Issuing Office's receipt of payment, printed Bidding Documents will be sent via the prospective Bidder's delivery service or electronic documents will be available to download from www.wesslerengineering.com/planroom/. The shipping charge amount will depend on the shipping method chosen. Bidding Documents are available for purchase in the following formats:

Format	Cost
Printed Bidding Documents (including Full-Size Drawings and Project Manual)	\$250
Electronic download of Bidding Documents from Plan Room - Wessler Engineering	\$150

Pre-bid Conference

A pre-bid conference for the Project will be held on **Wednesday, March 29 at 9:00 am at New Madison Wastewater Treatment Plant, 2115 Rush Rd, New Madison, OH 45346. A site visit is scheduled to follow the pre-bid conference.** Attendance at the pre-bid conference and site visit is encouraged but not required.

A mandatory pre-bid conference for the Project will be held on ~~[day, date]~~ at ~~[time]~~ at ~~[name of venue]~~ ~~[street address of venue]~~ ~~[city, state, zip code]~~. Bids will not be accepted from Bidders that do not attend the mandatory pre-bid conference.

Instructions to Bidders.

For all further requirements regarding bid submittal, qualifications, procedures, and contract award, refer to the Instructions to Bidders that are included in the Bidding Documents.

American Iron and Steel

Section 746 of Title VII of the Consolidated Appropriations Act of 2017 (Division A - Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2017) and subsequent statutes mandating domestic preference applies an American Iron and Steel requirement to this project. All iron and steel products used in this project must be produced in the United States. The term "iron and steel products" means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and Construction Materials.

The following waivers apply to this Contract:

De Minimis,

Minor Components, and

Pig iron and direct reduced iron.
