

ADVERTISEMENT FOR BIDDERS

Sealed Bids for Lead Service Line Replacements Phase II, for the City of Lafayette (herein called the "OWNER") will be received by the Owner at the office of the City Clerk, City Hall, 20 North Sixth Street, Lafayette, Indiana 47901 until Tuesday, May 19, 2026 at 9:00 AM (local time). Any Bids received later than the above time will be returned unopened. All Bids will be publicly opened and read aloud at that time.

The Work shall include:

Installation of approximately one hundred thirty (130) Utility-Side, twenty-three (23) Customer-Side, nine hundred and ninety-one (991) Full water service lines, and verification of two hundred sixteen (216) unknown service line materials to replace existing lead and galvanized water service lines, including hydro excavation, connections to existing water main and customer's home, new meter pits, related fittings, pavement repair, surface repair, maintenance of traffic, and other incidental work necessary for a complete installation.

Possible lead service line replacements in areas from Phase I that were not previously completed. These are estimated to be a combination of 100 types of service line replacements.

Mandatory add alternate work that may be awarded with the base bid work mentioned above, depending upon the bid results. These are estimated to be a combination of 700 types of service line replacements.

Inventory spreadsheets with address locations will be provided to the Contractor in advance of construction starting. A location map showing determined locations of required service line replacements to date is included in **Appendix A** of the Project Manual. An address list of properties needing lead service line replacement will be provided to the successful Bidder after the award of the Project.

Work shall be constructed under a Unit Price Contract.

Bids shall be properly and completely executed on a State Board of Accounts Form 96 (Revised 2013). Each Bid shall be accompanied by the Contractor's Bid Attachment (included with the Contract Specifications) to Form 96, a Financial Statement (completely filled out and signed) and a bid security in the form of an acceptable certified check payable to the Owner or an acceptable Bidder's bond, in an amount of not less than 5% of the total bid price, in accordance with the Contract Specifications.

The Contract will be awarded in accordance with the provisions of IC 5-16-13 for Public Works projects awarded after June 30, 2015. Pursuant to IC 5-16-13-7, the provisions of the law are incorporated by reference.

The construction of the Project is expected to be funded in part by a grant and part zero-interest loan provided by the State Revolving Fund (SRF) as administered by the Indiana Finance Authority. The Contractor to whom the Work is awarded shall comply with all requirements of said agency. If the funding is depleted before the Work is completed, the Contractor can only invoice for the Work Completed up to that point. It is not guaranteed that all Work will be able to be completed with the funding available.

In accordance with the Davis-Bacon requirements, all contractor and subcontractors are required to pay not less than the Federal prevailing wage rates published by the U.S. Department of Labor for each classification of Work performed on this project.

Bidders are notified that there is a 7% MBE and 5% WBE participation goal on this project.

A conditional or qualified bid will not be accepted. Award will be made to the low, responsive, responsible bidder and must be approved by the State Revolving Fund Loan as administered by the Indiana Finance Authority.

For contracts over \$300,000.00, in accordance with IC 5-16-13-10 and IC 8-23-10-0.5, Contractor must be qualified under either IC 4-13.6-4 or IC 8-23-10 (Indiana Department of Administration or Indiana Department of Transportation) before doing any Work on a Public Works project.

In accordance with IC 22-5-1.7-11.1, Contractors entering into a contract with the Owner, and contractors of any tier as defined in IC 5-16-13-4, will be required to enroll in and verify the work eligibility status of all newly hired employees through the E-Verify program (effective July 1, 2011), and comply with the reporting requirements of IC 5-16-13-11.

The Owner reserves the right to waive any informalities or minor defects in bids or bidding procedure, or reject any and all bids, or to accept the bid from the lowest most responsible and responsive bidder as exclusively determined by the Owner. Any bid may be withdrawn prior to the above scheduled time for the opening of bids or authorized postponement thereof. No Bidder may withdraw a bid within 60 days after the actual date of the opening thereof. Should there be reasons why the contract cannot be awarded within the specified period, the time may be extended by mutual agreement between the Owner and the Bidder determined by the Owner to be the lowest most responsible and responsive.

Submission of a signed Bid by the Bidder constitutes acknowledgment of and acceptance of all the documents and terms and conditions of the Contractual-Legal Requirements and Technical Sections of the specifications in the Project Manual.

The Contractor to whom the Work is awarded will be required to furnish an acceptable Performance and Payment Bond each in the amount of 100% of the contract price and must be in full force and effect throughout the term of the Construction Contract plus a period of twelve (12) months from the date of substantial completion.

The Contractor to whom the Work is awarded will be required to purchase and maintain insurance coverage as described in the Contract Documents on an "occurrence basis".

Copies of the Project Manual for the Work are on file (for viewing purposes only) the City Clerks Office, 20 N 6th Street, Lafayette, IN 47901; and the Engineer's office, Wessler Engineering, 6219 South East Street, Indianapolis, Indiana 46227, Telephone (317) 788-4551.
